Water Tables

A fun activity station for all ages. Composite coloured top with stainless tub to eliminate rusting. Includes relief valve for easy draining.

Chalk and Paint Boards

Another great activity station encouraging imagination and talent.

Safe for the outdoors.
*Choose chalk board, white board, or paint board.

A large, mature tree with thick, dark branches and dense foliage in shades of brown and orange, indicating autumn. The tree stands in a grassy field with scattered fallen leaves. In the foreground, a circular arrangement of large, light-colored, rectangular stones forms a fire pit or seating area. To the right of the tree, a rectangular chalkboard with a dark surface and a light-colored wooden frame stands on two wooden posts. The background shows a line of trees and a cloudy sky.

Chalk Panels

**Can be placed in
unique environments to
facilitate active learning.**

Benches

We have a wide variety of outdoor park benches. We can provide you with a broad selection of styles and materials to choose from.

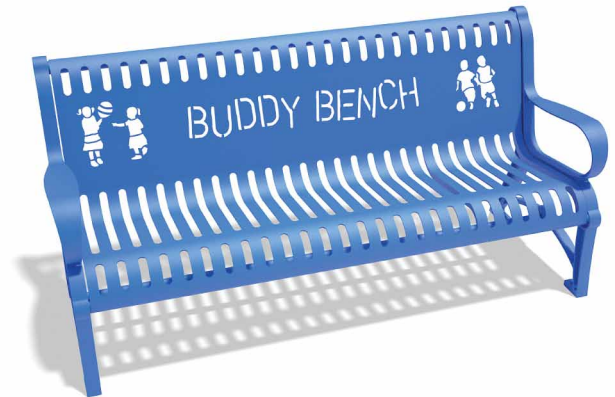

We offer the latest benches for sale in all weather maintenance free materials.

Buddy Benches

A buddy bench is a place where a child can sit when feeling sad, lonely or bullied. Other children can come over and offer support by providing friendship through sitting, talking, going for a walk or inviting them to play.

Elevated Play Areas

Sports Courts

A custom-built outdoor sports court is the central focus, featuring a vibrant blue playing surface with white boundary lines. A black net is stretched across the court, and a basketball hoop with a white backboard and orange net is positioned at the far end. The court is bordered by a dark grey rubber mat. In the background, a two-story house with a brown roof and a balcony is visible, surrounded by lush green trees and a white fence. The scene is set in a well-maintained backyard with various plants and flowers.

**Custom built solutions
for your exact property type.
Let us create a unique court just for you!**

Custom Line Painting

Attention to detail is what we strive for with our projects. High-end, precision craftsmanship from the team at Highland for markings.

We can make your playground both functional and unique.

Play Surfaces

PlaySoft - SUPERIOR RECYCLED RUBBER is pre-coated for longer colour retention. The recycled rubber is manufactured, bagged and ready for installation with clear urethane binder.

Sand

Brick Red

Emerald Green

Caribbean Blue

Dark Brown

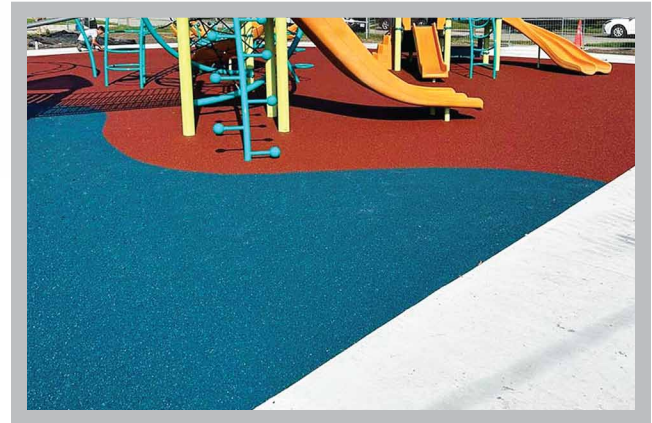

Stone Grey

Black

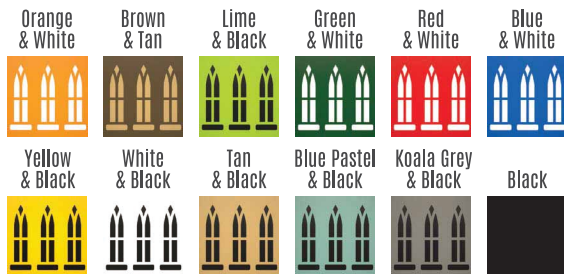

Built for Canada's climate and harsh weather patterns.

The rubber has a superior tensile strength due the pre-coating process. It is the most cost effective rubber surfacing on the market.
